

BEACHIN' in October with the COA!

October 16 - 21, 2022

Join us on the beach in beautiful Corpus Christi, Texas for five nights at the campground described in a recent issue of *RV Life* magazine as "spectacular". You will be surrounded by the Laguna Madre and Montego Cove, under the palm trees and only a few steps away from the campground's very own private beach! Relax and enjoy the sun or venture into the *Sparkling City by the Sea* and visit several of the most popular attractions Corpus Christi has to offer. Included in this package is a multi-day pass allowing you to choose which sights you'd like to see most*. Visit all of them or see the same one over and over again...it's your choice! Public transportation passes will also be available at a discounted price for those who want to save on fuel costs during your stay. There will also be two dinners and 3 continental breakfasts, trip patch, fun and fellowship! This campground is pet-friendly and even offers a dog park for your furry friend. As an added bonus, the first three members with pets to reserve and pay in full will be assigned sites with a Paw Pen™, a private enclosure for your pet to enjoy off-leash activity right outside your RV, compliments of the COA! Whether travelling by yourself, as a couple, or with the whole family, this adventure has something for everyone!
