ON THE COVER: "The photo is of our first RV out for our first RV adventure, taken Nov. 2017. The photo is of me (Judy) and our Golden doodle (Stanley), taken by my husband (Bob) at Howard Miller Steelhead Park near Concrete, WA. We were the only people at the park, the lighting for this photo is near perfect, and we had a wonderful time!! This is a 2016 Galleria (we've been told it was #5 in production) and we're the first owners. Purchased late July 2017, but not taken home from dealership until the end of Oct. 2017. Look out world...OK, look out North America...here we come!" — Judy VonDrachek

Experience a sense of adventure and history on the **Mount Washington Cog Railway's** 3-hour guided train tour to the highest peak in the Northeast. Here you will be able to take in the spectacular panoramic

view, spanning the mountains and valleys of New Hampshire, Maine and Vermont, north into Canada, and east to the Atlantic Ocean.
